# Enesco hosting Artist Gallery of teapots

ENESCO IS PRODUCING AN Artist Gallery collection for the fourth time. This year's theme is The Art of Tea, and all Enesco artists, both licensed and in-house, are invited to participate, with their own teapot designs.

The collection includes designs from Jim Shore, Our Name is Mud Designer Lorrie Veasey, principal artist Karen Hahn, Children of the Inner Light creator Marci, Charming Tails creator Dean Griff, Lauren Picciuca, Kim Lawrence, Teresa Thompson, Kristi Jensen Pierro, Ann Dezendorf for Possible Dreams, Jill Johnson for A Lovely Day by Department 56 and Boyds. Most teapots are functional, while a few, such as Boyds, Snowbunnies and Possible Dreams, are purely decorative.

The Tee Pot is by artist Karen Hahn.
